## WHAT IS THE ART SHOW?

Soonercon's Art Show is Oklahoma's largest fantasy and science fiction art gallery where you can bid on high-quality art.

## How Does It Work?

1. **Get a Bidder Number.** When you visit the Art Show, register as a bidder so you can bid on art.
2. **Bid in the Silent Auction.** The Art Show starts off as a "silent auction." On Friday and Saturday you can write down your bids on the bid sheets next to each piece of art. If a piece gets less than three bids, the highest bidder in the silent auction wins.
3. **Bid in the Live Auction.** If a piece of art gets three bids in the silent auction, it goes to the live auction Saturday night for live face-to-face bidding.
4. **Picking Up Your Art.** Any pieces you've won will be available for pick up during the day on Sunday (or possibly Saturday evening upon special request).
5. **Quick Sale, Sunday Sale & Print Shop.** Visit the Art Show to learn about these and for more info about all things Art Show.
